Lost and Found

The lost and found is starting to overflow! Please remember to check for missing items as soon as possible, as all items remaining will be taken to Hartley School at the end of the day on October 19. Items will be moved out to the front hallway during Parent Teacher Conferences to remind you to check for missing things!

Construction Update

We are excited about the second grade pod being painted this week and getting ready for installation of the ceilings and carpet to follow.

The new room adjacent to the multipurpose room is just about complete. The tile is now being installed and the heating/cooling system is about to be "hooked up".

All the cabinets have been installed in the "Yellow Pod". The water is hooked up and we have full use of our new bathrooms. The coat cubbies are just about complete and the moveable walls between classrooms were installed this week.

Our Early Childhood Pod (kindergarten and early childhood special education) has had its concrete floor poured and the "framers" have begun their work.

Vehicle Pick Up/Drop Off Lanes

Thanks to all who are following proper procedures. Please remember if you are going to use the parking lot, it is necessary to "park" your car in a parking lot stall and escort your child to your vehicle through the parking lot.
