PTO General Meeting/Open House/Tour (Multipurpose Room) 7:00 p.m.

No School for Elementary Students on November 21 and Early Student Release on November 27

Please be reminded that this Wednesday, November 21, is an Elementary Plan Day. Therefore, Maxey students are not in attendance. Also, Tuesday, November 27th is an early release day for students, as teachers will be working in Professional Learning Communities. On Tuesday, November 27, students in grades 1-5 will be dismissed at 2:18 p.m. The morning kindergarten day will be from 9:00 - 11:14 a.m. and the afternoon kindergarten day will be from 12:04-2:18 p.m. ECSE students are not in attendance on Tuesday. There will be no after school classes on Tuesday. The regular schedule will resume on Wednesday, November 28th.

Colder Weather on the Way

It is time for winter weather to arrive. Please remember to write your child's name in her/his outer winter clothing.

Construction Update

The second grade pod is almost complete and we will most likely begin "moving in" during the upcoming Winter Break. The multipurpose "Annex" is complete and we are using it for many activities. Beginning next Monday, our after school Chess Club will meet in this space.

Enjoy Your Thanksgiving

The Maxey staff wishes all Maxey families a Happy Thanksgiving. Have a wonderful time with family and friends during this holiday. We also wish you safe travel!

Connect Ed Messages

Make sure you update your contact information each time you have a change. You can either call the office at 436-1153 or email Melanie (mschilo@lps.org) or Nanci (nwurm@lps.org). This is important to have when sending out the Connect Ed messages over the phone/email, so that you are receiving all important information.

Coughs, Colds, etc...

With the cold and flu season upon us, just a reminder about school policies with medications. School personnel can administer medication to a student with a doctor's written prescription and signed medication consent form by parent/guardian. Over the counter medicine can be given with a written order from the doctor and also an LPS medication consent form signed by the parent/guardian. The form can be found on the LPS.org website or in our health office. Medication must be in the prescription container with a label stating the student's name, physician's name and direction for administering the medication. Over the counter cough drops should be left at the health office with an LPS medication consent form signed by parent/guardian. If there are any questions, please call the Maxey Health Office at 436-1262.

THE SPIRIT OF GIVING PROGRAM

As the holiday season looms around the corner, we are once again looking for families who would like to make the holidays a little more joyful for a less fortunate family. More importantly, you can share with your kids the values, which are corner stones of all beliefs, of caring and giving to those who are in need.

We are looking for Maxey families that are willing to share their Spirit of Giving with a family from Hartley, Clinton and Elliot Elementary schools. Your family would buy a gift for each member of the family and buy a special dinner for the family. Your family can share the fun of shopping for the family and in most cases you can even meet the family and deliver your gifts. Of course we will also deliver your gift for you if you wish remain anonymous.

Last year the schools had nearly 100 families that requested help. Unfortunately, that was a goal we could not meet. This year we are trying to get as many Maxey families as possible, individually or in groups, to commit to helping a family and then have the schools offer assistance to the number of families for which we have commitments. If you would like to help, we would like to hear from you by November 26 so that there is

enough time to contact the school, contact the family, obtain a wish list, allow time to shop and deliver the gifts.

If you cannot support an entire family the schools can also use socks, underwear, sweat clothes, coats, gloves, and gift cards (especially to shoe stores), which they use as emergency clothes for kids that come to school dressed in ragged clothes or clothes that do not fit. Classroom supplies are also welcome. Last year we received a generous contribution of hundreds of pounds of Smart Chicken from the Monson family. So as you can see virtually any contribution is welcome and greatly appreciated.

The families at Hartley, Clinton and Elliot Elementary schools are facing more challenging times than ever this year. The increased cost of food, gas, electricity and natural gas is cutting deeply into the already tight budgets of the families at these schools. As you know these schools have a very high percentage of their families who receive 100% subsidized school meals and have 50-75 families participating in the Backpack Program that supplies food to the recipient so they have food to eat over the weekend. Without our help these families will likely have little or nothing to share during the holiday break.

Please consider participating in the Spirit of Giving program. It has been a heart warming and positive experience for our family, and is now a Wilken family tradition that our kids look forward to.

Any one that that has questions or would like to help should contact Doug or Jody Wilken at 489-0299 or at Cacey_Chance@msn.com, or Holly or Sean Leach at 328-9331 or at hleach@neb.rr.com. Remember, the earlier that you commit to helping a family the earlier we can get you a wish list from the family.

Monday, January 7 PTO Meeting

On Monday, January 7, PTO will host an open house for Maxey parents and patrons to visit our new construction areas at our school site. The meeting will begin promptly at 7:00 p.m. where we will have a brief business meeting until 7:15 p.m. The tour and open house will begin no later than 7:15 p.m. Refreshments will be served.
