Make Your Mark on Maxey: Paint Yourself Silly Fundraiser:

It is not too late to still sign up- just send your check made out to Maxey PTO and your sign-up sheet with your date and time marked to your child's teacher or to the Greeter.

Have some fun at PAINT YOURSELF SILLY and help out our Art Department at the same time!

Each student or family will have the opportunity to create their own tile. We will then professionally arrange the finished tiles in permanent frames that will be displayed throughout the school and showcased for the first time at the Spring Art Show. All of the profits will go directly to the Maxey Art Department. Sign-up sheets have already been sent home so if you do not have one, there are still more available in the Maxey office. Tiles will be painted at Paint Yourself Silly (Pioneer Woods Drive location). The tiles will cost 15.00 each. This will be replacing the Family Dinner. We hope that you are as excited as we are about this project! Start helping your kids think about their tile masterpieces!!!

Science Fair

Science Fair is fast approaching on March 13th and we need as many students as possible to make this a huge success. This is a noncompetitive fair to show off student knowledge of science to their teachers, family and friends. Students can work with a partner or alone. Everyone participating must fill out a science fair flier (sent home a few weeks ago) and have it back to school no later than February 29th. Remember to follow ALL the rules to make this a safe science fair for all. Boards for the science fair are for sale in the media room for \$3.50. All profits go to the PTO. Questions? please contact Mary McPhail at 483-6977. Hope to see you all there.
