Gifted Program Information

Information Regarding the Gifted Program: Please look for information regarding the Gifted Program in next week's Wednesday Folder (October 15). This brochure will be going home with the Oldest and Only children in every family. The brochure contains information about identification for the program, as well as the differentiated curriculum.

Parking on Streets

Once again we need to ask for everyone's cooperation when parking on the street. We had numerous calls about this last year, and it's starting again this year. People are calling the school office upset because there are parked cars blocking their driveway, which makes it impossible for them to get in or out. This is very inconsiderate. As adults, we know better and need to respect other's property.

The Power Team Assembly – Thursday October 9th

The Power Team is a group of world-class athletes who perform feats of strength and use their massive size to enthuse, astound, and grab the attention of today's students. They deliver contemporary, motivating messages of hope with captivating relevancy to the problems kids face today, using a visually explosive positive approach to confront these issues and establish a feeling of pride in one's school.

Desperately Seeking Kindergarten Lunch Volunteers

We are desperately seeking parent volunteers for Kindergarten lunch starting in November and for the remainder of the school year. The lunches have been running so smoothly with all of our volunteers. We couldn't do it without you, and hope you know how much we appreciate all you do! Please consider signing up to help out in the future months. The sign-up calendar is located on a table in the front lobby area. Thank you again for all of your help and support!

Dental Visit

On Thursday, November 13th, the dentist will be visiting Maxey. If you have not already submitted dental information, please complete the following and return it to the health office or email the information to: awahlst@lps.org

Every year the School Health Office is required under Nebraska law to do health screenings on students. One of those screenings is for dental problems. If your child has seen the dentist in the past year you can complete the form below and return it to the health office and it will meet that requirement.

Parents: The dentist will be visiting Maxey on November 13th to screen all students who have not submitted a form indicating a regular dental check up in the past 12 months.

Please complete the following information on your student, detach, and return to the health office.

Thank you,
Dianne Smith RN, School Nurse
Alane Wahlstrom, Health Technician
