Science Fair: Also Coming Soon

The Science Fair is fast approaching -- Tuesday, March 3rd.

We need as many students as possible to make this a huge success. This is a noncompetitive fair to show off student's knowledge of science to their teachers, family and friends. Students can work with a partner or alone. Everyone participating must fill out a science fair flier and have it back no later than February 18th. Remember to follow ALL the rules to make this a safe science fair for all.

Boards for the science fair are for sale in the media room for \$3.50. All profits go to the Maxey PTO.

Questions? please contact Mary McPhail at 483-6977. Hope to see you there.
