April 23	Art Fair (Maxey)

Message from the President:

Can you believe this school year is half over?? I just wanted to give a few reminders of some hot things coming up in the month of March.

Science Fair (March 3) This will probably be the biggest fair with the most participants ever at Maxey. Thank you Mary McPhail for doing a great job and making this happen.

Bar-B-Que (March 3) This is our third year for this event and what a great time we all have. Please get your responses in this week so we can issue out the tickets and get the food ordered in time for the event. For you last minute folks we will have some meals available at the door on a first come first serve basis.

PTO Meeting (March 10) We only have a couple left.

McDonalds Night (March 19) This will be our last McDonalds night of the year. Let's make it a record breaker again.

Thank you so much for all the parents who have helped support the Max so far this year. We still have a lot of work ahead!! I guarantee that this year will be a great event and it's our first year at the Hill Crest Country Club. Let's all make it a great success. If you can offer any help or support please call Jen Graf.

Does anybody have access to a 6ft BBQ that is propane to use for March 3rd. I can rent one but if anybody can donate it for the night that would be really helpful. I will pay for the propane if necessary.

Thank you to all the people that make my job as the PTO President easier.

Science Fair –Bigger & Better Than Ever

The Science Fair is coming up on March 3rd from 6:00-7:30 p.m.. We have about 170 students participating (compared to 120 last year). Our biggest turn out yet!!!! Come and support the students as they show off their science knowledge. Hope to see you all there! Participants, remember to follow all the rules so we have a safe and fun Science Fair.

Parent volunteers are needed to help set up after school on March 2nd. Questions? Want to volunteer? Please contact Mary McPhail at 483-6977.

The “Scoop” on the Art Fair

A flyer (on yellow paper – two pages) has gone home in Wednesday folders announcing an exciting fun opportunity tied to the Art Fair – a chance to create personalized hand-painted ice cream bowls or tiles at the south Paint Yourself Silly. A sign-up sheet was included as part of the flyer. Dates are highlighted above under **COMING SOON**. Questions? Please contact Melissa Hartter [327-9621], Julie Widman [327-8930], or Suzi Sailer [488-4383].
