Maxey Elementary School: Our mission is to maximize learning for all students

---

### **Message from the President**

We had a very successful fund raiser with the QSP/Readers Digest Company. We had approximately 180 students sell \$14,000.00. Our profit is 50%. Imagine if we had 50% of our students in the school take part in this fund raiser what we could raise. Thank you to all the parents that took part. We appreciate all you do at our school.

Thank you Laura Chapin and Committee for taking care of the Maxey School sign. You sure have kept us all on time and on track with what is going on at school.

Thank you for all the parents that have taken part in the lunch room. We know that it is a thankless job but all of the parents that can't help sure appreciate you.

Mary Schleich, Mary Linafelter, and all Specialists - you knocked it out of the park with the Book Fair. It was awesome. I know my family had a great time and I know that the money made went to benefit our Specialist at Maxey. Thank you again!!!

Thank you also goes out to our Treasurer, Jenny Stebbing. Can you believe that all the cash and checks that get written to the Maxey PTO have to pass through her hands before they go to the bank? This job is a very time consuming one!! Thank you again from all of us.

October 28<sup>th</sup> will be our first Cici's pizza night. Cici's pizza in the Lowes shopping center has come to us and offered one night a month just for Maxey students and families. We will make a percentage of the money made that night. All we have to do is mention Maxey or give the flyer to them that will go home in our Wednesday folder. We will have this on the third Tuesday of each month. Again this is not a mandatory event. If you want to meet other Maxey families or just go out for pizza on that Tuesday, we look forward to seeing you there. This event has no time restrictions. It is all day so if you go for lunch just remember to mention Maxey.

Thank you again for all the teachers, Staff, and Parents that make the school function on a day to day basis.

Jon D. Eslick

Cell: 402-202-6313 (After 5:00 pm please)

### **Attention: "Maxico" - Parents, Grandparents, Friends and Business Owners**

"Maxico" (April 4th at Hillcrest Country Club) is looking for you!!! Auction Items are needed for the Max's silent and live auctions. Now is the time to begin gathering the following items to make our event successful. Talents, Trades, Crafts, Trips, Fine Jewelry, Art, Collectibles, Gift Cards, and anything else that could make the Max a bigger success.

Please feel free to call with questions or suggestions We would gladly stop by and pick up any items you have!! Questions? Mary McPhail at 483-6977, Cindy Dalton at 486-0374, and Jen Graff at 488-1227

### **After School Classes**

Have you heard the excitement? It is time once again to register your student(s) for After School Classes. This fall we will be offering Computer Classes, Ballet, Hip Hop Dance, Cheerleading, Robotics, Digital Story Telling, Magic School Bus, PE 101 and a Fun Friday Dance Party to name just a few! Questions? please contact KayCee Wanser at 327-2103 or [maxeyafterschool@yahoo.com](mailto:maxeyafterschool@yahoo.com)

**-- CONTINUED --**

### **Save Box Tops: Earn Funds for Maxey**

We can all earn cash for Maxey every time we clip and save Box Tops coupons found on lots of products, including General Mills, Ziploc, Betty Crocker, Cottenelle, Kleenex, Pillsbury, Scott, and Huggies to name a few. Simply clip the Box Tops label off the product, collect them through the month, and then drop them in the collection box at the front entrance of Maxey. This year, the collection box is green and orange (although the pink box is still there too) It's easy. Invite your neighbors, grandparents, aunts and uncles to collect the Box Tops too. Another way to earn cash for Maxey is by shopping through the Marketplace and the Reading Room on the Box Tops for Education website. Go to [www.btfе.com](http://www.btfе.com) and sign up today! The Box Tops project generates funds for the P.E. Department. Questions? Please contact Vanessa Riekenberg at 484-5798.
